

The Big Race Results

Function type: _____

Time (seconds)	Distance Travelled (cm)	Average Speed (degrees/sec)	Average Speed (cm/sec)
1			
2			
3			
4			
5			
6			

Total Distance Traveled: _____

1. Graph the ordered pairs with “Time” as your independent variable and “Distance Travelled (cm)” as your dependent variable.

Which robot would you pick in a race?

The Big Race Results

4. Save your results for comparison with different function graphs.
